

Share your love - Feed a Mylestone Horse!

If you'd like to make Valentine's Day last for all the horses, you can give the gift of a meal and purchase bags of grain. Different horses eat different types of grain according to their needs, so we've listed the kinds of grain we feed and who eats it. Please check off below whatever grains you'd like to feed to the horses that eat it, and fill out the coupon below and send the whole page along with your donation or pay through PayPal

Mylestone faces increases in costs in every area of operation, so your gift is an even greater donation to the horses than ever, and truly appreciated.
