

What if MYLESTONE earned a penny every time you searched the Internet? Now it can!

GoodSearch.com is a new **Yahoo-powered** search engine, with a unique social mission... every time you use GoodSearch, money is generated for Mylestone Equine Rescue.

GoodSearch donates half its revenue, about a penny per search, to the charities selected by its users. The pennies quickly add up. For example, if 1,000 supporters searched just twice a day, we would receive an estimated \$7,300 per year to help fund our program.

What's great is that you use GoodSearch just as you would any search engine. Again, it's powered by **Yahoo!**, so you get proven, high-quality results.

Just go to www.goodsearch.com and be sure to enter Mylestone as the charity you want to support. (you only have to enter it once) The more people who use this site, the more money we'll earn so please spread the word!

From the GoodSearch website:

We estimate that each search will raise \$0.01 for your designated charity or school (image and video searches are not included). The more people use GoodSearch, the more money will be directed towards your cause. The sky is the limit!

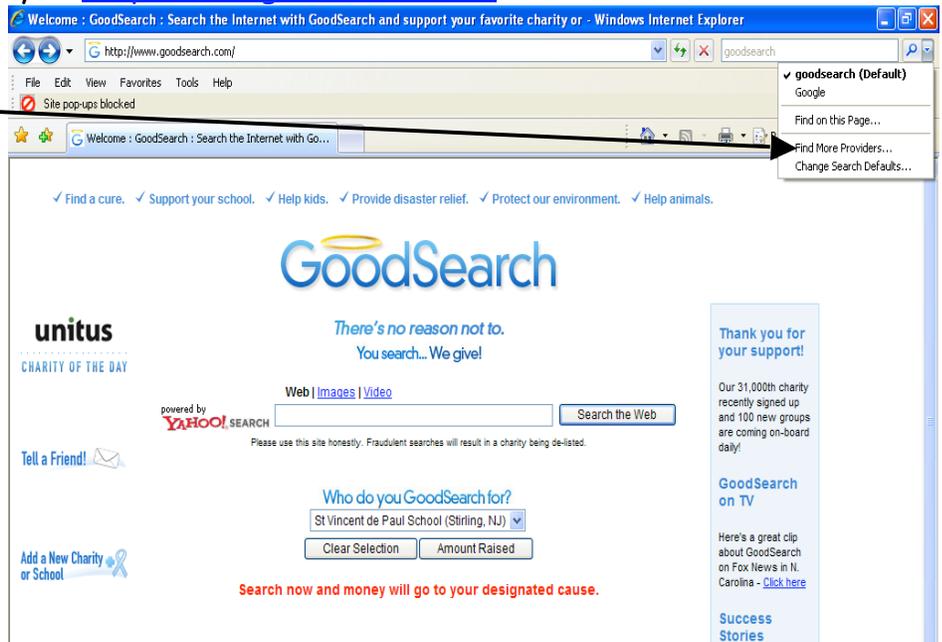

Here's an example of how much your organization can earn:

Charity or School Size	Number of Supporters	Average Searches Per Day	Estimated Revenue/Year
Small	100	2	\$730
Medium	1,000	2	\$7,300
Large	10,000	2	\$73,000

The more people who use this site, the more money will go to those in need. So please spread the word to your friends and family. <http://www.goodsearch.com>
